Our Specialties

Association Management

We help manage the day to day operations of your non-profit or association so you can focus on other priorities. Our turn-key services, which are customized to your needs and budgets, include administrative support management, financial & bookkeeping services, marketing and communications, events, board and committee support, member management and beyond.

Events Management

Our team of professionals are ready to help you plan and execute your events and meetings, of any size, whether in person, virtual, or hybrid. We support your event with contract negotiation, event creation & management, vendor engagement and management, attendee management, marketing, and people management.

Virtual Experiences

Scale your virtual events and meetings quickly. Our team will take care of all the details, from the online event platform, meeting setup and registration management, to hosting and run-of-show, troubleshooting, people management & coordination and beyond.
